

## **Loreto College Provider Access Statement**

### **Introduction**

This statement sets out the college's arrangements for managing the access of providers to students at the college for the purpose of giving them information about the provider's education or training offer. This complies with the college's legal obligations under Section 42B of the Education Act 1997.

### **Pupil entitlement**

All students in years 12-13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through tutorial events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

### **Management of provider access requests Procedure**

A provider wishing to request access should contact Lois Scholes, Careers Manager

A number of events, integrated into the college careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers. A more detailed outline of the opportunities that are provided for students can be found on our website.
