### **Vision**

Loreto College is centred in God, rooted in Christ and animated by the spirit of Mary Ward, the founder of the Institute of the Blessed Virgin Mary. Our vision is that it will be an educational community where each person has the experience of being loved and valued as a sacred individual created by a loving God; a community where students enjoy an enriching and liberating education that helps them grow into the fullness of life and empowers them to be men and women of courage who are alive to the needs of humanity and committed to making a better world. We are committed to building a healthy and vibrant college where the diversity of all members of the College community is celebrated, valued and respected. It is in such a community that students are able to flourish and develop their full potential.

Bringing together students with different backgrounds, experiences and perspectives allows us to become more innovative and successful.
