### Vision

Loreto College is centred in God, rooted in Christ and animated by the spirit of Mary Ward, the founder of the Institute of the Blessed Virgin Mary. Our vision is that it will be an educational community where each person has the experience of being loved and valued as a sacred individual created by a loving God; a community where students enjoy an enriching and liberating education that helps them grow into the fullness of life and empowers them to be men and women of courage who are alive to the needs of humanity and committed to making a better world.

### Introduction

The College aims to be an educational community which gives expression to the core values of Mary Ward - freedom, justice, sincerity, truth, joy, excellence and internationality.

Loreto College has the highest expectations of personal, academic and professional excellence. This document sets out the College's policy and guidance on the procedures we follow to safeguard and preserve the privacy of our website visitors.

In doing so, the college will be mindful not only of its legal obligations but of its core values and respect for the dignity and worth of all those who use its website.

This Privacy Policy explains what happens to any personal data that you provide to us, or that we collect from you whilst you visit our site. If this privacy policy changes in any way, we will place an updated version on this page. Regularly reviewing this page ensures that you are always aware of what information we collect, how we use it and under what circumstances, if any, we will share it with other parties.

### Information We May Collect

In running and maintaining our website we may collect and process the following data about you:

- Information about your use of our site including details of your visits such as pages viewed and the resources that you access. Such information includes traffic data, location data and other communication data including internet protocol (IP) address, browser type and version, time zone setting and location, browser plug-in types and versions, operating system and platform, and other technology on the devices you use to access this website.
- Information provided voluntarily by you. For example, when you register for information or make an application (including name, username or similar identifier, title, and gender)

- Information that you provide when you communicate with us by any means (including email address and telephone number).
- Other information relevant to customer surveys

The information you provide will be used and retained in line with our Data Protection Policy which can be found at [here](#).

## Use of Cookies

Cookies are small files of letters and numbers which help provide information regarding the electronic device used by a visitor and distinguish you from other users of our website. We may use cookies where appropriate to gather information about your device in order to assist us in improving our website and in order to provide you with a good experience when browsing our website.

Where used, these cookies are downloaded to your device and stored on the device's hard drive. Such information will not identify you personally. It is statistical data. This statistical data does not identify any personal details whatsoever. You can adjust the settings on your device to decline any optional cookies if you wish. This can easily be done by activating the reject cookies setting on your device.

Our website uses the following cookies:

- **Strictly necessary cookies.** These are cookies that are required for the operation of our website. They include, for example, cookies that enable you to log into secure areas of our website, use a shopping cart or make use of e-billing services.
- **Analytical or performance cookies.** These allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.
- **Functionality cookies.** These are used to recognise you when you return to our website. This enables us to personalise our content for you, ~~[greet you by name]~~ and remember your preferences (for example, your choice of language or region).
